Finding of No Significant Impact (FONSI)

WASHINGTON MARINA AND MUNICIPAL FISH WHARF PLANS

1300 Maine Avenue, SW
Washington, DC

December 31, 2001

Following adoption of an Environmental Assessment (EA) for the proposed improvements of the District of Columbia Washington Marina and Municipal Fish Wharf, 1300 Maine Avenue, SW, Washington, DC, the National Capital Planning Commission (NCPC) has issued a Finding of No Significant Impact (FONSI). As stated in the FONSI, NCPC staff has determined that the project would not significantly affect the quality of the natural and human environment. The FONSI and the EA have been prepared in compliance with the National Environmental Policy Act (NEPA).

NCPC is taking a federal approval action on the project, requiring adoption of the EA that analyzes the facility in accordance with Section 102(2)(c) of the National Environmental Policy Act of 1969, and the Environmental Policies and Procedures implemented by NCPC. Requests to review the FONSI or the EA may be made to the Commission.

All written statements regarding the FONSI or EA must be received by the Commission no later than February 19, 2002, and addressed to Eugene Keller at the National Capital Planning Commission, 401 Ninth Street, NW, Suite 500, North Lobby Washington, D.C. 20576. Comments may also be sent via e-mail to gene.keller@ncpc.gov or via FAX to (202) 482-7272.

The Commission welcomes your written comments on the FONSI and will consider all comments when it reviews the project at its regularly scheduled meeting on March 7, 2002. That public meeting also will be announced through the Commission's regular monthly agenda.
